Through Department of Computer Science and Engineering  
R.V College of Engineering

**Subject: Request for Jetson Nano and Webcam for Project (Until July 30, 2025)**

Respected Sir/Madam,

I kindly request the provision of a Jetson Nano and a compatible webcam for our interdisciplinary project titled “Real-Time Cashew Kernel Classification using Deep Learning.” Our team comprises students from CSE, ECE, and Biotechnology departments.

We require this equipment for real-time data acquisition and deployment, and we assure its use strictly for academic purposes. We request permission to retain the devices until July 30, 2025, and will return them in proper condition

Thank you.

Sincerely,

Kiran H R(1RV23CS405)

On behalf of the interdisciplinary project team
